

MARCH HIGHLIGHTS

2026

WE ARE ROYALS...

ACTS HONOR SOCIETY

We are thrilled to celebrate the 23 students selected for the ACTS Christian Honor Society! These young leaders shine through their academic achievement, Christ-like character, respectful relationships, and meaningful community service. Their dedication and example reflect the values our school strives to nurture, helping students grow in wisdom, faith, and a heart for service. [Learn more about this honor and the students who qualified here!](#)

MIDDLE SCHOOL ELECTIVES

Our 7th and 8th grade Coding students explored sorting algorithms through a hands-on activity, discovering how different strategies affect efficiency and how larger sets of numbers take longer to sort. A video simulation illustrated how computers process data, helping students connect abstract concepts to real-world technology. Experiences like this spark curiosity and strengthen problem-solving skills.

2026

PRESCHOOL

Michael Mershad visited our preschool this month from Ultimate Leadership Martial Arts, bringing energy, excitement, and valuable life lessons with him! He taught our students the importance of staying active, making healthy food choices, and being well-rested and focused all in a way that was fun and engaging. Through interactive martial arts drills, movement activities, and playful games, the children were fully involved from start to finish. One of the highlights was watching them partner up and confidently try out their new skills. To wrap up, the session ended with calming balance and breathing exercises, helping everyone reset, refocus, and feel ready for the rest of their day. It was a wonderful blend of fun, learning, and personal growth!

OCEN SCHOLARSHIPS

DID YOU KNOW?

Hear from Adam Bowling from OCEN to learn how you can redirect your Ohio tax dollars to fund CHESS scholarships through the OCEN SGO. Get an inside look from a Scholarship Officer with OCEN at this amazing opportunity to benefit CHESS and our community.

Jr. High Boys Basketball
2026 OCSAA State Runner Up

JV Boys Basketball
2026 NCSAA National
Consolation Bracket Winner

Varsity Girls Basketball
NCSAA National 2nd Place

Our winter sports season was one to celebrate, not just for the trophies earned, but for the character built, skills developed, and the way our Royals athletes strengthened the unity of CHESS.

Now, with spring in full swing, we're enjoying cheering on our boys' volleyball team and the energy they bring to campus. It's also exciting to see our newest program, track and field, getting underway and gaining momentum. We're looking forward to finishing the year strong. Go Royals!
