

MAY HIGHLIGHTS

2026

WE ARE ROYALS...

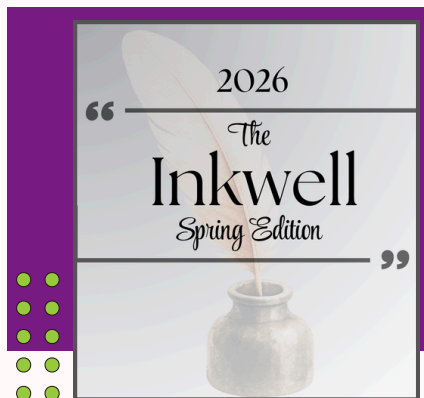

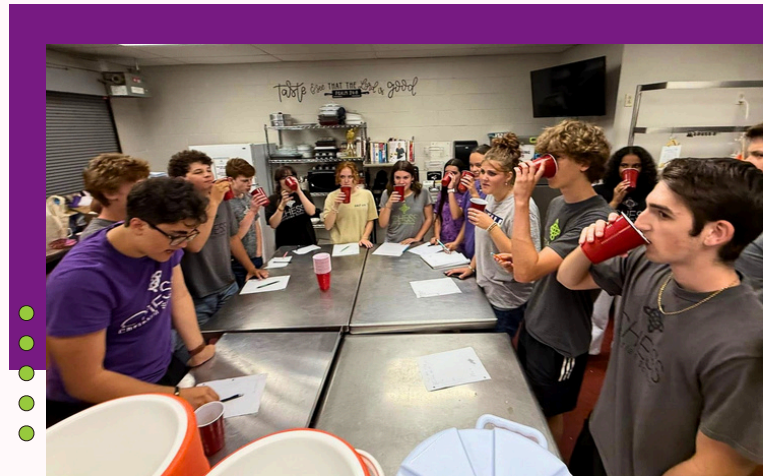

HIGH SCHOOL HISTORY

History classes ended the year with some fun and memorable activities. As part of the fourth-quarter History of Anything project, one student researched the history of root beer, leading to a blind taste test featuring six different brands.

Students also competed for the classroom's famous "Ugly Lamp," delivering impromptu campaign speeches to persuade their classmates. After a spirited election, Sam D. took home the prize, with supporters rallying behind the slogan, "Make Lamps Great Again!"

From root beer taste tests to lamp campaigns, these year-end traditions prove that learning—and a little fun—can be found everywhere.

HIGH SCHOOL HONORS ENGLISH

We invite you to explore the latest edition of the CHES Christian Inkwell, our semesterly literary magazine showcasing the work of Honors English students. Inside, you'll find a collection of original stories, poems, and creative writing that reflect the talent, imagination, and hard work of our students.

After reading the newest edition, we encourage you to browse past issues as well and enjoy the many outstanding pieces our students have created over the years.

2026

3RD GRADE CORE

Our 3rd graders recently enjoyed a field trip to Kid Clubhouse, where they put their math skills into practice by serving as cashiers at the snack bar and making real-life change. Of course, there was plenty of fun on the playground, too!

Back in the classroom, students celebrated something even more exciting. Throughout the year, they recorded prayer requests and tracked God's answers. As they reflected on His faithfulness, they tossed hundreds of answered prayers into the air in celebration, praising the Lord for His goodness and the many ways He has worked in their lives this year.

Answered Prayers!

GRANDPARENTS GAME DAY

Our 2nd Grade Grandparent Game Day was a sweet success! Students and grandparents enjoyed an afternoon of games, laughter, and special memories during our Candy Land-themed event.

It was a joy to see the love and connection shared between generations as they played Candy Land, Uno, Trouble, Kerplunk, and more.

Thank you to everyone who attended, donated, volunteered, and helped behind the scenes to make this special day possible. We are grateful for a wonderful afternoon filled with fun and fellowship!

2026

PRESCHOOL EXPO

Our End-of-Year Preschool Expo was a beautiful celebration. Our Mini Royals worked so hard to memorize their songs and Bible verses, and their excitement shined on stage. This year was especially meaningful as several students stepped up to introduce their classes, recognize their teachers, and share what they have learned about Jesus. We were especially touched as a few of our students found the courage to lead us all in prayer, reminding us of the incredible growth that takes place throughout the preschool years. Months of planning, preparation, and practice by our teachers go into making this event such a special experience, and we are so grateful for all the families that show up to watch, laugh and cry with us. What a joy it is to watch these little ones grow in knowledge, confidence, and their love for Jesus.

2026

ROYAL EXPO

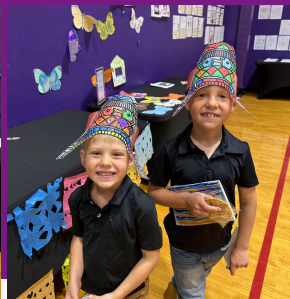

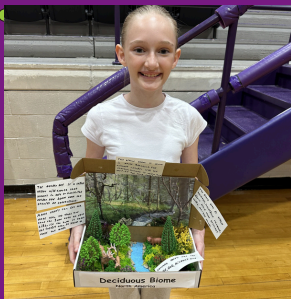

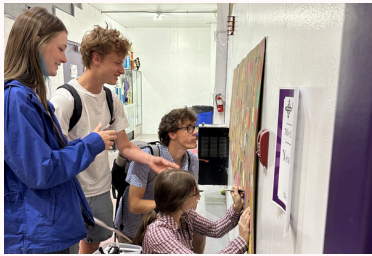

This year's Royal Expo brought our school community together to celebrate a year of learning, growth, and achievement. Families enjoyed excerpts from our drama classes' spring performances and cheered as every student in Kindergarten through 11th grade crossed the stage to receive a character quality certificate. We also celebrated two special milestones: Kindergarten Graduation and the recognition of our 8th-grade class as they prepare for the next chapter. It was a joy to see students honored not only for what they have learned, but for the character they are developing along the way.

FIELD DAY

Field Day was a wonderful celebration of community, leadership, and learning. Students enjoyed a day filled with games, team challenges, and shared experiences, while more than 60 high school students volunteered as group leaders, encouraging and mentoring younger students throughout the event. A special highlight was the high-altitude balloon launch, sponsored by Sightline Ventures and Near Space Launch, which carried student-designed stickers toward the edge of space and provided an exciting real-world STEM experience. The day showcased meaningful connections across grade levels and reflected our commitment to developing students who serve others, lead with purpose, and engage enthusiastically in learning.

2026

GRADUATION

Graduation was a wonderful conclusion to a week of celebrations for the Class of 2026. The week included the Senior Clap Out, where students lined the halls to applaud seniors as they left campus for the final time, and the Senior Blessing Ceremony, where each graduate received a personal blessing, written by a teacher or coach. The celebration culminated with 16 graduates crossing the stage, joined by family, friends, staff, and a special address from Michael Conn. As we celebrated this milestone, we reflected on the positive impact these students have had on our community.

DID YOU KNOW?

BOARD OF DIRECTORS

We are pleased to welcome two new members to our Board of Directors. Their experience, perspective, and commitment to Christian education will be a valuable addition as we continue to grow and strengthen CHES. We are grateful for their willingness to serve and support the mission of our community.
